

Executive Readiness Workflow Standard

Owner: Starting Monday

Operating Objective: Move executive candidates from passive activity to interview-ready execution with measurable weekly progress, consistent conversion quality, and zero critical follow-up gaps.

FIVE READINESS GATES

1. Positioning Clarity

Role target, value narrative, and proof are clear in under two minutes.

2. Market Discipline

Prioritized company list and intentional contact sequencing are active.

3. Outreach Quality

Role-specific messaging and weekly conversion tracking are in place.

4. Interview Readiness

Strategic stories, risk responses, and stakeholder prep are complete.

5. Offer Readiness

Decision criteria, negotiation strategy, and close plan are prepared.

WEEKLY CHECKLIST (FRIDAY)

1. **Positioning:** narrative updated, proof sharpened, weak language removed.
2. **Pipeline:** targets added, stages advanced, overdue follow-ups cleared.
3. **Outreach:** messages sent, reply/meeting rates reviewed, low-performing patterns removed.
4. **Interview Prep:** briefs finalized, high-risk questions rehearsed, stakeholder points ready.
5. **Decision Readiness:** scorecards updated, compensation assumptions reviewed, references confirmed.
